

## **UPDATE INTERNATIONAL TANDEM RALLY, May 28th – June 4th 2016, CHAAM (NL)**

### **General**

ITR 2016 will be held from Saturday 28th of May until Saturday the 4th of June on RCN campsite “de Flaasbloem” in Chaam (NL). We have a large field for tents, caravans, campers and HQ. There is enough electricity.

### **Program**

Until now we have scheduled a lecture on building your own tandem, music entertainment, something cultural, presentation of regional products, a technical evening / bring and buy (bring your old stuff!) as well as a tandem games evening. The program / excursion for the Wednesday is progressing, but we are not going to reveal it yet.

### **Bookings**

Bookings can be made since the end of November and the number of participants is steadily growing. There is a wide range of nationalities, from the UK, the Netherlands, Belgium, Germany, France, Israel, United States and even Australia! We hope, that the flow of bookings will keep on going... So if you have not yet made your booking, please do so before April 17th and join the party!

### **Cycle routes**

Cycle routes are ready and have been tested! Every day we will go into a different direction, with routes going into Belgium as well. You can cycle about 50, 80 or 100 km a day. We have used the bicycle hub system as far as possible. We will supply route sheets and gps-tracks.

### **Accommodation / chalets**

**Pay attention!** Chalets can only be booked from Friday until Friday and from Friday until Monday. If you want to stay from Saturday till Saturday for the rally you have to book one week and a weekend! Booking of this kind of accommodation can only be made through de Flaasbloem only!

Website RCN: <http://www.rcn.nl/nl/vakantieparken/nederland/brabant/rcn-de-flaasbloem/home>

Mention with your booking: “International Tandem Rally 2016”.

Check for discounts, as you can find on the website (senior bookings).

In addition to booking your chalet you have to use the booking form to subscribe for the rally!

### **Early arrival**

Campers, tenters, caravans: if you arrive one or a few days before the start of the IRT you officially have to book the extra night through “de Flaasbloem”! However: do not make a reservation in advance, but arrange it at the RCN-reception upon arrival. This will save you the administration costs of € 16,50 euro. Tell them you are joining the International Tandem Rally and they will direct you to our field (in case of one or a few days earlier, not more!).
